PEPSTEP

PepStep will boost incremental dispensary sales as a delicious low-cost register add-on, appealing to customers seeking an innovative and energizing treat.

WHY PEPSTEP

- In 3 bold, delicious, retro-inspired flavors
- In-store and online merchandising and brand support
- Packaged in our vintage tin with eye catching branding
- Pre-Sealed in exit packaging for security and freshness
- Created by the Second Act Cannabis team – led by Eric Rogers, creator of LEVIA.

SALES TIPS

- Only \$6 – approachable price, great add-on item.
- Loaded with functional ingredients for an energizing effect on the go
- Resonates with female buyers as a discrete, portable indulgence
- Only 10 calories per treat
